NOTE: All 72 privacy screens require that the textile is railroaded (turned 90 degrees) for application. This must be considered when applying a patterned textile.

CUSTOMER'S OWN MATERIAL

Customer's Own Material (COM) can be applied to Equity products on a select basis. Please consult your Neutral Posture Customer Service Representative for details on the COM approval process and testing requirements.

Pricing for COM fabrics is at Grade 10.

NOTE: Always contact your Customer Service Representative prior to sending any COM (including pre-approved textiles) to the manufacturing facility.

Order Code	
e.g.	EP1FA3648R, W3513, 117
EP1FA	Fabric panel
36	Width
48	Height
R	Raceway
W351-3	Foundation, Corn Silk
117	Soft Grey trim

Specification Information	
Specify fabric and trim color. Post assemblies or connection elements must be ordered separately.	Pricing listed above is for P1 trim colors. Add the appropriate upcharge if using P2 or P3 trim colors.
NOTE: Power duplexes cannot be installed on 12" W panels. Side mount receptacles available in 24" W panels and wider while using "E" series power.	NOTE: P2 trim colors are not available on EP1 panels and panel components.
Electrical components must be ordered separately.	

Application Notes
Panel is fabric covered. If two different fabrics are used on one panel, price will reflect cost of the more expensive panel fabric.
NOTE: EP1 & EP2 Panels and components are available in legacy colors only.

EP1PWS	Panel wall starter
60	Height
117	Soft Grey trim

Specification Information
Specify trim color.
NOTE: Neutral Posture, Inc. assumes no responsibility for wall construction or performance of fasteners used.

Application Notes
<p>Wall starter: Used to start a run of panels by fastening to an existing wall and attaching a connector assembly to it. Creates 1¼" space from face of wall to centerline of post. Constructed of steel.</p> <p>The wall starter includes panel top and bottom hooks and modified panel connector. Fasteners not included to attach to wall.</p> <p>Post and shrouds must</p>
<p>be ordered separately.</p> <p>Wall mount channel: Allows hanging of all components and accessories on reinforced building walls.</p> <p>Painted extruded aluminum with a plastic inset which snaps in place, covering mounting screws.</p> <p>NOTE: EP1 & EP2 Panels and components are available in legacy colors only.</p>

Order Code	
e.g.	EP1SEP
EP1S	Post shroud
EP	End with post

Specification Information	
Specify panel connector and shroud trim color.	NOTE: EP1 & EP2 Panels and components are available in legacy colors only.
Specify one multi-height filler (EP1PCMF) for each low panel in a multi-height connection.	EXCEPTION: EP1 posts connectors only are available in all colors as they may need to be specified when ordering stack-on panels with an EP3 profile.

Application Notes	
Panel connectors stabilize panel to panel connections.	be purchased separately.
Panel connectors have painted finish and a quick mount design.	The EP1PCTF is a trim filler piece that is to be used when no other post part can be used in a given panel layout.
Mounting screws are included. Conical connector screw is included with post.	This piece butts against EP1PCS and EP1PCT, when installed as an addition.
One Post Plug (OPPC) is included with every connector cap ordered. If additional post plugs are required a bag of 25 may	Shrouds provide a finished raceway cover at posts. Two-way "L" connections do not require an inside shroud.

e.g.	EP1PE6065R, 117
EP1PE	Raceway panel extender kit
60	Width in inches
65	Height
R	Raceway
117	Soft Grey trim

Specification Information	
Specify trim color.	
Jumpers to carry power through panel are ordered separately. With panel extender kits, add 3" to jumper length for each panel extender kit used.	

A kit designed to be field mounted onto panels to extend the width of the panel by 3" (1½" on each side). This adaption of the panel(s) will allow clearance when positioning existing freestanding equipment, i.e., files and desks, between side panels.

Application Notes
Kit contains two aluminum side extrusions, an extended top cap, extended baseboard covers, an extended communication boot, installation hardware and instructions.
NOTE: EP1 & EP2 Panels and components are available in legacy colors only.

Order Code	
e.g.	EE1C30-N3
EE1C	Conduit jumper
80	Length
N3	8-wire dedicated neutral

Specification Information	
8-wire N3 = 2+1 system (2 hots and 2 neutrals sharing one ground, 1 isolated hot and 1 isolated neutral on an isolated ground)	
10-wire N4 = 2+2 system (2 hots and 2 neutrals sharing one ground, 2 hots and 2 neutrals sharing another ground)	

Application Notes	
Jumpers: Transmit power circuits from one panel mounted terminal block to another. Can carry power through panels where no terminal blocks are installed. The length of the jumper corresponds to the distance between the terminal blocks.	
To calculate the correct length	
1. Add widths of both panels containing terminal blocks.	
2. Divide by two.	
3. Add width of any non-electrified panels in-between.	
The result is the correct jumper length.	
Example	
	$36" + 24" = 60"$ $60" \div 2 = 30"$ $30" + 48" = 78"$ Order EE1C78-N3

Specification Information
Specify trim color.

Vertical Wire Manager:
A plastic strip designed to hide a cord running down the edge of the panel. Cut to desired length in field.

Ceiling Infeed Modules:
Electrical harnesses not included with modules. Modules are hollow to accommodate power and/or data cables from source into systems furniture.

With electrical harness installed, infeed holds 35 cables.
Cables/conduit are laid into the lower metal body by removal of the front 1-1/2" wide access cover and into the upper plastic extrusion by separating the front edge of the pliable tube. Infeed module is attached to an available post location of the appropriate height. The

module can not be used for panel support and there are no "hang on" capabilities. Includes escutcheon plate. Plate and plastic tube are white to integrate with standard ceiling color. No "hang on" capabilities. Module cannot be used for panel support.

Painted metal module is 120" long metal extrusion with attachment hooks at proper height to attach to appropriate height post. Infeed holds 35 cables with electrical harness installed.

Cables/conduit are laid into module by removal of two-piece front 1-1/2" wide vertical access cover which runs the length of the extrusion. Includes escutcheon plate which is white to integrate with ceiling. Tube is trim colored to match system trim.
To connect a metal ceiling infeed to a corner or a straight connection you must use an adjustable angle connector or adjustable angle connector with a multi-height panel connector.

Specification Information

Specify trim color.

Coat Hook and Coat Hanger available only in Dark Neutral, Medium Grey, Soft Grey or Taupe.

NOTE: EP1 & EP2 Panels and components are available in legacy colors only.

Application Notes

Coat Hanger
A plastic coat hanger available to hang on coat hook. EP1 Coat hook: Molded plastic hook hangs over EP1 panels to hold coats and hangers. Coat hook must hang over straight post location if being used w/EP3 panels. Carpet gripper: 12 per package. EP3 Coat hook: Aluminum coat hook attaches to any exposed Equity vertical slot. There are two versions. The straight version will work on any Equity vertical slot except for those on an inside corner. The postless end version is handed and extends beyond the edge of a panel with a postless end. Hand is determined by which side of the panel the coat hook is installed on while facing the panel. Available in two colors; Black (B) or Matte Aluminum (P).

Freestanding

Order Code

e.g.	EF2OS60, 117
EF2OS	Equity freestanding privacy screen
60	Length in inches
117	Soft Grey trim

Specification Information

Specify shelf and stanchion trim color where required.

NOTE: Fabric on 72" privacy screens and will be railroaded (turned 90°).

Application Notes

Over-desk storage units build on desk assemblies to form freestanding workstations.

Mounted on freestanding desks, the overall height of an over-desk will line up with a 65" high panel.

Stanchion loads must be carried to the floor by end panel or pedestal directly beneath it.

All freestanding product shipped knocked down (KD). Orchestra load bars will mount on stanchions with or without tack boards.

Task lights for overhead cabinet or shelf less than 60" wide need to be ordered at least 12" less than the width of the cabinet or shelf.

NOTE: Add 10% to the list price when specifying a legacy laminate.

WALL MOUNTING SUGGESTIONS

The following information is provided only as a guide, and represents minimum recommendations only. Neutral Posture does not accept responsibility for the attachment of any Neutral Posture product to a Customer's site wall. Wall specification/construction is the responsibility of the Customer and its structural engineer/architect. Failure to properly attach Neutral Posture products to adequate wall structures can lead to property damage and/or personal injury.

You should consult your own structural engineers and/or architects and must not rely on the information provided herein.

It is the responsibility of the Customer and its structural engineers/architects to verify that the permanent structural walls (studs, blocks, solid masonry, etc.) on which the

Neutral Posture products are intended to be mounted are designed appropriately to support the product weight, PLUS 3 lbs. per linear inch for each usable shelf length

NOTE: A cabinet's top is considered a "usable shelf" and MUST be included in the calculation of the total load for an overhead cabinet.

It is the responsibility of the Customer and its structural engineer/architects to specify the fasteners and method for attaching the Neutral Posture supplied wall mounting cleat, bracket, frame, etc. to the supporting wall and to confirm that the installers have adhered to these specifications. For all local building standards and codes, and additional requirements (including, but not limited to, seismic conditions) the Customer should always consult local code agencies.

Selling Policy

TERMS AND CONDITIONS

For all non-rated or new accounts, payment terms are Cash in Advance (C.I.A.) until credit has been approved or rated. Please send full credit information and references and allow time for Credit Department approval.

For all established accounts, payment is due within thirty (30) days from the invoice date. Neutral Posture (NP) reserves the right to change or cancel the terms of sale based on volume, credit rating and/or credit information. Prepayment, whole or in part, may be requested at any time at the discretion of the corporate office. For orders greater than \$100,000 net, a fifty percent (50%) deposit is due at the time of order placement, with the remainder due within thirty (30) days of the date of invoice.

Past due accounts are subject to a 1.5% late charge or maximum amount permitted under local law, for each thirty (30) days the outstanding balance remains open after the due date.

Withholding of payments based on carrier damages, shortages or other disputes is illegal and subject to charges.

Neutral Posture does not accept credit cards.

ORDERING

All orders must be in writing; faxed, e-mailed or mailed. The product pattern number(s) contained in the order acknowledgment shall be the final expression of the order. A purchase order is not binding on NP until customer has received NP's order confirmation or acknowledgment. Orders must have a contact name and phone number. Orders may not be canceled without written consent of Neutral Posture.

To expedite complete/correct entry of your order, be certain all pattern numbers, quantities, colors and area identifications are completely specified. Also, include complete purchase order number(s), bill-to and ship-to addresses, a contact name and specific factory shipping dates required.

Orders should be sent to:
Neutral Posture, Inc
3904 N Texas Avenue Bryan, TX 77803
979.778.0502 (Option 2)
800.446.3746
979.778.0408 FAX
E-mail: oe@neutralposture.com

When an order is received, it is assigned a scheduled ship date. That date is shown on the customer's acknowledgment.

Purchase orders may not be changed or canceled, in whole or in part, without prior written consent of NP. Changes may affect delivery dates. Expenses incurred because of changes shall be charged to customer. In the event of cancellations, customer will be liable for reasonable cancellation charges established by NP. Orders for special product, orders including customer's own material (COM) and orders pursuant to expedited delivery programs, may not be canceled.

A minimum of 3% of net expedite fee will be charged for orders requiring less than standard lead times.

PRICES

Prices are subject to change without notice. List prices shall be those in effect on the date of receipt of purchase order unless shipment is requested more than ninety (90) days after order entry in which case prices in effect on the date of shipment apply. Prices in effect at time of shipment prevails in the event of a discrepancy.

TAXES

All sales, use, excise and other taxes applicable to the sale of the products shall be paid by customer. If customer claims an exemption from any tax, customer shall submit to NP the appropriate exemption certificates.

LEAD TIME

Please contact Sales Support for current lead time at customerservice@neutralposture.com or 979.778.0502.

STORAGE FEE

Any changes made by the customer to postpone the delivery date on orders which have already gone into production, will be charged a storage fee. This fee will be applied to both partially and fully built orders. NP will advise of fee prior to applying charge.

SHIPPING

Most NP products include free shipping. All standard discount orders are F.O.B destination delivered by parcel or prepaid freight to commercial shipping points located within the forty-eight (48) contiguous United States, District of Columbia and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland. NP will designate the shipping mode and carrier based on geographical location and best service defined by our Logistics Department.

For orders shipping outside the forty-eight (48) contiguous United States, District of Columbia and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland, customer pays shipping from port of embarkation to destination and order will be shipped "best way". Customer will incur additional charges if they choose to specify a freight carrier.

Even though free shipping does apply to most domestic orders, in some cases accessorial charges may apply for specialized freight services beyond normal pick up, transport, and delivery such as limited access, high security, re-consignment and unusual wait times. Consignee will be responsible for paying accessorial charges relating to their orders. The following list includes, but is not limited to, accessorial charges that will apply to domestic orders. Please contact Sales Support at customerservice@neutralposture.com for a quote.

Accessorial Charges (Net)

Inside Delivery/Pick Up
Lift Gate Required
Limited Access Delivery
Notification/CBD
Residential Delivery
Ship Fully Assembled
Pre-delivery Notification
Re-delivery/Return Trip

TERMS AND CONDITIONS

FREIGHT DAMAGE

Upon receipt of shipment, check delivery for shortages or signs of damage. If a problem is discovered, bring it to the driver's attention immediately. If any of the goods called for on the Bill of Lading are shorted or damaged, consignees should not accept them until the carrier makes a notation on the freight bill of the shorted or damaged goods. The more precise your notation, the easier the claim can be resolved. NP's responsibility ceases when the consignee signs the freight delivery receipt as received in good condition. Shipping claims must be made within thirty (30) days of shipment delivery.

RETURNS

The return of product without written authorization by NP shall not be accepted. All merchandise returns must be pre-approved by the corporate office and sent freight prepaid. Contact the Warranty Department, warrantyrequest@neutralposture.com, to receive a Return Merchandise Authorization (RMA) number for any return. RMAs are valid for thirty (30) days and any returned merchandise without a RMA number will be refused.

No deductions from any NP invoices can be made for return merchandise until it is approved by the corporate office. No deductions will be honored until returned goods are processed through our Quality Control Audit.

All returns for canceled orders must be pre-approved by the corporate office and sent freight prepaid. No returns will be authorized unless our inventory allows it, the parts are in good reusable condition and it was sold within the last thirty (30) days. Authorized seating returns will be charged a thirty percent (30%) (twenty percent (20%) for GSA) restocking fee, by agreement, to cover handling, inspection, stocking and repackaging. Authorized systems returns are subject to a forty-five percent (45%) of list restocking charge. Products not currently offered for sale by NP (including COM) shall not be authorized for return. All returned products must be unused, in original condition and in the original NP packing cartons. No refund or credit will be given for damaged products.

WARRANTY CLAIMS

Neutral Posture reserves the right to specify that items or parts claimed to be defective, be returned to the factory for our inspection. If the claim is justified, repair or replacement of defective parts under warranty will be made through NP at no cost to the customer. NP will, at its discretion, reimburse the furniture dealer for labor (actual costs only) on warranty parts. The furniture dealer must submit a quote to be approved prior to service. If approved, the furniture dealer must then submit an invoice to NP for reimbursement after the service is completed. Freight for products and parts covered under warranty will be covered for the forty-eight (48) contiguous states, the District of Columbia and Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland, with the method of shipping at NP's discretion. All claims must include the product serial number. NP will have no warranty obligation if the product was subjected to abuse, alteration, misuse, negligence or accident or if the user fails to perform the proper maintenance for the product.

CUSTOMER'S OWN MATERIAL

A customer who requests a fabric or other surface material not standard to NP's line of products (COM), must submit samples of the requested material to NP prior to entry of a customer order. NP shall determine if the material is suitable to its manufacturing processes and meets any requirements of Underwriters Laboratories and/or Canadian Standards Association. If the COM is acceptable, NP will then establish a price for using the COM. For a description of the procedures for submitting samples and testing, contact Sales Support. NP shall have no responsibility for the appearance, condition, performance, durability, colorfastness or any other physical attribute of the COM. Customer shall indemnify and hold NP harmless for any damages, injuries or losses arising out of or related to use of the COM on the product.

DELAY/FORCE MAJEURE

Neutral Posture shall not be liable for failure to perform or for delay in performance due to fire, flood, strike or other labor difficulty, act of God, act of any governmental authority or of the customer, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials or manufacturing facilities from usual sources or failure of suppliers to meet their contractual obligations, or due to any cause beyond its reasonable control. If any such event occurs, Neutral Posture may extend delivery dates by a period of time necessary to overcome the effect of such delay, allocate available product or cancel any purchase order.

COMPLIANCE WITH LAW

Customer is solely responsible for compliance with all applicable federal, state and local laws, ordinances, regulations, rules and standards relating to the installation, maintenance, use and operation of the products.

Selling Policy

WARRANTY

Neutral Posture warrants to the original purchaser only that the products Neutral Posture manufactures and sells to purchaser are free of defects in workmanship and materials, during the applicable warranty period set forth below.

This comprehensive warranty applies to all products installed or reconfigured by an authorized installer.

Warranty period set forth below is for 24-hour, 7 days a week, multi-shift use. Should any failure occur to a product listed below during the applicable warranty period from the date of shipment, Neutral Posture shall, upon prompt written notice, repair or replace, at its option, the affected part or parts.

PRODUCT AND PERIOD OF WARRANTY

Lifetime

Panels and panel connector parts, high pressure laminate worksurfaces, table tops and common tops, storage, modesty/privacy screens

10 Years

Cascade worksurfaces, height adjustable worksurface supports (except for gas lift), laminate overhead doors, desktop and storage accessories (unless otherwise specified)

5 Years

Table bases, tapered table legs, anti-fatigue mats, operational parts, controls, electrical, lighting (except light ballasts, bulbs and power supply), special or custom product, height adjustable worksurface support gas lift

3 Years

Electric height adjustable bases (including motor), fabric

1 Year

Light ballasts, bulbs and power supply

This warranty does not apply to:

- Damage caused by a carrier.
- Normal wear and tear or acts or omissions of parties other than Neutral Posture (including user modification, improper use or installation of products).
- COM or other third party materials applied to products.
- Products not installed by or under the auspices of a Neutral Posture Dealer.
- Dramatic temperature variations or exposure to unusual conditions.
- Changes in surface finishes including colorfastness due to aging or exposure to light.

The express warranties contained herein are in lieu of all other warranties, express or implied, including any warranties of merchantability and fitness for particular purpose and all other warranties arising from course of dealing or usage of trade.

The remedies provided above are the customer's sole remedies for any failure of Neutral Posture to comply with its obligations regarding the workmanship of its products. Correction of any nonconformity in the manner and for the period of time provided shall constitute complete fulfillment of all liabilities of Neutral Posture, with respect to or arising out of the product furnished hereunder.

GENERAL INFORMATION

CERTIFICATION

Independent tests show that Equity components meet or exceed current ANSI/BIFMA X5.6 Panel System and ANSI/BIFMA X5.9 Storage Unit standards. Electrical components are UL listed. Panels have tested to NRC ratings of 0.75.

SCS INDOOR ADVANTAGE CERTIFICATION

The Equity product line is certified by SCS Global Services for indoor air quality.

DESIGN

NP reserves the right to make changes and improvements in design and materials and to discontinue parts and components at the discretion of NP.

WOMEN'S BUSINESS ENTERPRISE (WBE)

This certification is administered by the Women's Business Enterprise National Council (WBENC) and is used by most large corporations to qualify potential vendors as credible diversity suppliers.

WOMAN OWNED SMALL BUSINESS (WOSB)

The U.S. Small Business Administration's WOSB Federal Contract Program provides greater access to federal contracting opportunities for WOSBs. The program allows contracting officers to set aside specific contracts for certified WOSBs and helps federal agencies achieve the existing statutory goal of five percent of federal contracting dollars being awarded to WOSBs. NP is certified as a WOSB.

HISTORICALLY UNDERUTILIZED BUSINESS (HUB)

The Texas Historically Underutilized Business (HUB) program encourages the use of HUBs in state procurement and provides information to minority and woman-owned businesses on the state's procurement process.

BUSINESS AND INSTITUTIONAL FURNITURE

MANUFACTURER'S ASSOCIATION

NP is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of office furniture in its everyday use. Although this testing does not serve as a warranty or guarantee, NP standard products within this price list meet or exceed applicable ANSI/BIFMA X5.6 Panel Systems and ANSI/BIFMA X5.9 Storage Unit standards. Combinations of options added on to the standard products may not meet ANSI/BIFMA standards. Those combinations which do not meet ANSI/BIFMA standards are not available on GSA. Additionally, Equity is BIFMA level 1 certified. For more information, contact Sales Support at customerservice@neutralposture.com.

Building an effective Green Program takes a company-wide effort, but we think it's worth the effort to ensure that our manufacturing process leaves the smallest footprint on the environment. Neutral Posture products are designed and manufactured to support a long and useful product life. Our products, if need be, can withstand repeated service, repairs and handling; and our products are made with standardized parts and components which make replacing worn out parts easy and as green as possible.

- BIFMA level® Certification
- LEED
- Buy Back Take Back Program
- Product Breakdown Instructions
- Recycling Neutral Posture Product by Region

GREEN MANUFACTURING PROCESS

Neutral Posture is highly efficient in its manufacturing process. Its products are manufactured with only 1% scrap by weight. The company has established a 100% solid waste diversion goal for its manufacturing process and is very close to reaching it. Current manufacturing processes do not use water or hazardous chemicals.

Plastic

Neutral Posture uses plastic which contains up to 25% pre-consumer recycled plastics. The majority of the plastics used in Neutral Posture products are #5 plastics and can be recycled in many areas.

Steel

Neutral Posture products contain steel that is 100% recyclable. Additionally, up to 25% of this steel comes from pre-consumer recycled product.

Fabric

Neutral Posture maintains an excellent supply of green fabrics. These fabrics are made from pre- and post-consumer recycled materials, soy and other rapidly renewable resources.

Panel Inner

Neutral Posture uses mineral wool, spun from rocks to provide sound resistance in its panels. These mineral wool inserts are considered rapidly renewable products.

GREEN SHIPPING INITIATIVES

Neutral Posture holds their freight carrier partners accountable to similar criteria as suppliers, however, due to the immense impact freight companies have on the environment, all carriers must also become a partner in the Environmental Protection Agency (EPA) SmartWay program within one year of service. All freight carriers are screened through a logistics company and become a partner associate with Neutral Posture based on monthly evaluation reports provided by the logistics company.

PACKAGING OPTIONS

Our cardboard shipping boxes are produced from 45% recycled material and 100% of the materials come from renewable pulp sources. For large orders, customers can opt to blanket wrap their chairs, which totally eliminates packing waste or could choose to use a box made from 100% recycled materials for an upcharge.

A LONG AND HEALTHY PRODUCT LIFE

Neutral Posture products are made to last, as is evidenced by our limited lifetime warranty. Neutral Posture has been around since the 1980s, and it is not unusual to find original products from our first year of production in perfect working condition. Although we are continually improving our products, we allow for retrofitting of earlier generations. This allows the customer to upgrade individual components as desired without having to discard the product they already have or purchase a new one. This helps avoid filling landfills with used chairs and is another way in which Neutral Posture customers contribute to their immediate health and wellbeing as well as the continued wellness of our environment.

Key Lock Program

GENERAL INFORMATION

Following is the Neutral Posture key lock policy, applicable to all products.

Neutral Posture pedestals, overheads, and storage cabinets ship without lock cores installed. The locks are field installed. If your purchase order does not specify key-alike you will automatically receive random lock cores with your order.

Neutral Posture furniture can be keyed-alike or random keyed.

KEY-ALIKE

Furniture may be keyed alike at no charge. Write "key-alike" in the description of your purchase order for any storage piece you wish to have keyed alike.

Using the key-alike instructions, order cores and keys as line items on your purchase order. Neutral Posture will select key numbers from the standard range of 226 – 425. Key numbers will not be repeated unless over 199 sets are ordered.

There is no charge for key-alike orders if placed with the furniture order.

If product is ordered and shipped random-keyed, additional lock cores for key-alike are billable.

KEYS

A key is shipped with every lock core. 199 Key numbers are available. For numbers above 199, contact Sales Support. Additional keys and key blanks are available.

MASTER KEYING

Neutral Posture locks can be controlled by means of a master key. There is no additional per-lock charge for master keying. Master keys must be ordered separately.

INSTALLING LOCK CORES

Lock cores can be installed or removed in the field by using a change key. Cores must be in the unlocked position to be removed. See service parts for change key pattern number and pricing.

SERVICE PARTS

MODEL #	DESCRIPTION	LIST
NLCKE_ _ _	Shrouded Key (<i>Specify key number desired</i>)	\$18
NAKC	Change Key	\$18
NKM	Master Key	\$18

NOTE: A letter of approval on company letterhead from the client must accompany all orders for master keys.

NOTE: Neutral Posture locks/keys are not compatible with Knoll Equity pedestals/double pedestals.

HOW TO SPECIFY KEY-ALIKE

Following is an example of how to specify key-alike for a cluster of 10 workstations.

STEP 1

Using the project floor plan, count the number of locks in each workstation.

STEP 2

Count the number of workstations with the same quantity of locks. Group together the workstations with a like number of locks.

- 5 workstations with 2 locks per station
- 3 workstations with 4 locks per station
- 2 workstations with 5 locks per station

STEP 3

For the first group (5 sets of 2 locks), enter the number of workstations in the quantity column.

QTY	MODEL #	DESCRIPTION	UNIT LIST	EXT LIST
5	NSPEC 2	Set of 2 cores/keys	N / C	N / C

STEP 4

Then enter the pattern number "NSPEC_ _" and add a suffix for the number of locks for that group (i.e., for 2 locks per station, add the suffix "2"). Up to 30 lock cores are available in a set (i.e., NSPEC 30).

QTY	MODEL #	DESCRIPTION	UNIT LIST	EXT LIST
5	NSPEC 2	Set of 2 cores/keys	N / C	N / C

STEP 5

Repeat for other groups.

QTY	MODEL #	DESCRIPTION	UNIT LIST	EXT LIST
5	NSPEC 2	Set of 2 cores/keys	N / C	N / C
3	NSPEC 4	Set of 4 cores/keys	N / C	N / C
2	NSPEC 5	Set of 5 cores/keys	N / C	N / C

Your key instructions are complete.

Neutral Posture will select key numbers for each set from 199 available numbers.

For additions to existing installations, specify desired key numbers in the description.

EQUITY

In order to specify an Equity locking component with an "H" series core, apply an "A" suffix to the Equity Base pattern number.

All keyed locks in the Equity system are randomly* keyed, as a standard offering. For those requiring all locks within a workstation (or group of workstations) to be keyed alike, Equity also offers a key-alike option.

EQUITY LOCKING COMPONENTS

Identify the cabinets to be keyed alike by adding the suffix "P" to the standard catalog number (i.e., EC20F36AP indicates a key-alike EC20F36A cabinet). The cabinet will be factory-prepared with the hardware mechanisms excluding the lock core and key. List price will be reduced by \$22.

MULTIPLE KEY-ALIKE PACKAGES

For multiple keys of the same number, specify ALCKE - (number of keys desired, from 2 to 8.)
 Price is: Number of Keys x \$22. (i.e.: ALCKE-5 Pkg. of five cores with keys = \$110.00)

LOCK CORES

The same lock core fits all Equity cabinets and pedestals but is different from the "N" series core. Order the lock cores required separately (ALCKE series). Cores are numbered sequentially, with up to 250 different combinations available (ALCKEH6001- ALCKEH6250). Use one line item for each quantity of lock cores to be keyed alike. Series H6001-H6100 are standard lead-time.

MASTER KEY

A master key (AKM) is available that will unlock all cabinets and pedestals with the same prefix letter, for

example: H6001, H6002. A single key is supplied and priced, as shown below.

DESCRIPTION	CATALOG NUMBER	LIST
Equity Lock and Keys	ALCKE(H6___)	\$22
Change Key	AKC	18.
Master Key	AKM	18.

SHIPMENT

Additional lead time of 2-4 weeks may apply when more than 100 lock sequences are specified for key-alike (contact Sales Support for current lead times).

The key-alike core and keys are shipped separately from the components for field installation in the appropriate workstation components.

*Randomly keyed means that no attempt is made to assure that locks have the same number or that they are, in fact, different.
