

Neutral Posture recognizes that effective environmental management is imperative in minimizing the impact on our environment and natural resources. We are committed to the health and safety of our employees and community and to protecting and respecting the natural environment. We will:

- Operate all facilities in accordance with all applicable laws and regulations.
- Continue to reduce pollution through the use of EPA SmartWay carriers for transportation.
- Promote effective environmental management and responsibility by our business partners.
- Design products, processes, and facilities that are environmentally sound, prevent pollution, conserve resources and energy, minimize the use of hazardous materials and reduce waste.
- Design products that will be easier to recycle and reuse for our customer.
- Train and educate employees on environmental management and responsibility to improve employee environmental performance.
- Continually improve in environmental performance and in environmental management.
- Conduct operations in a manner that minimizes our consumption of natural resources and manages waste through responsible disposal and the reuse of recycling of materials.
